Mixology / Bartending

40 Hours

The most complete Bartending training program available! Be able to work almost anywhere with the skills and confidence needed to make a profitable and rewarding career. The purpose of this course is to provide the student with the knowledge and skills required to perform as a competent bartender at the entry level. This course is forty hours in length. The lessons cover over one hundred and fifty drinks, as well as beers, wines, customer service, private parties, and responsible liquor service. The student will have daily quizzes tracking progress in class. The Final exam is a written test requiring 87% or better to pass, followed by a practical test in which the student will make 12 drinks in no more than 8 minutes with an acceptable score of 90 or above.

All lessons are conducted in exactly the same manner. First, the lecture is given by the instructor on the specific lesson for this class period, during which five (5) steps are followed in explaining each drink in the lesson. 1) Description, 2) Appropriate glass, 3) Ingredients and exact measurements, 4) Appropriate mixing method, 5) Proper garnish. The instructor then demonstrates the making of each drink in the lesson. During the remainder of the class time, all students practice making drinks, under the close supervision of the instructor.

Master Flairtending

5.25 Hours

The skills, knowledge, and confidence required to perform as a competent exhibition bartender are provided. This course will also increase the bartender's value to the establishment as well as increasing his/her income potential. The five hour course will cover flair techniques involving use of the mixing tin, beer bottles, liquor bottles and glassware.

The students will be expected to practice outside of class. Flairtending is an art, not a science. Everyone does things a little differently, and if it looks good, breaks nothing and makes the guest happy, then everyone wins

Lesson #	Curriculum	Clock Hrs.	Description
Lesson #1	Beginning Flair Knowledge	1.75 Hrs	A perfect place to start, these are the tricks used most often. The basics of flair are taught using Beer Bottles, Straws, Ice Scoops, Garnishes, Strainers and the Mixing Tins.
Lesson #2	Intermediate Flair Techniques	1.75 Hrs	Things are starting to heat up! This class starts to take on some style. You'll be using mostly full bottles and glassware to entertain your guests and adding tips to your pocket.
Lesson #3	Advanced Flair Practices	1.75 Hrs	Tricks during this portion take on a new dimension and the combinations are endless. This will teach combining the moves taught into a flawless routine.

Job Placement Assistance

While some students take our course for personal reasons such as meeting people, home use, or to bolster their restaurant management resume, most attend seeking a career. Job placement assistance is provided whether the graduate is seeking full time, part time, or private parties only.

The graduates enthusiasm, personality, people skills and aggressiveness determine how quickly they find employment. The graduate will have all the necessary bartending skills to work at the finest establishments. The school does give tips on finding employment, including dress code, conduct, and follow-up.

The school cannot guarantee employment, however the school receives calls from bar owners and managers who request our graduates for interviews. The school also calls local managers and owners to check on the progress of our graduates, as well as to check on any current openings that exist.

All fees paid are for tuition and registration only. The Certification of Completion will not be issued to a student unless all requirements, including payment of all fees, have been met. At the Student's request, upon successful completion of the course the school will assist each graduate in finding employment in the bar and restaurant industry.

The student simply contacts the school and lets us know what city he/she is moving to. We will then contact the school and set up an appointment for you to meet with their job placement director.

Arizona laws prohibits persons under the age of 19 from being employed as a bartender therefore any such person taking this course is doing it for their own satisfaction and enjoyment.

Enrollment Policies

The Bartending Academy maintains a complete open-door policy regarding admissions. The school reserves the right to require interviews with all applicants prior to acceptance. If, in the opinion of the Center Director, the applicant's chances of success are minimal, any tuition advanced by the applicant will be refunded in full. To maintain the integrity and high standards of the training programs no class credit will be awarded for previous service industry experience. The Bartending Academy accepts students without regard to race, religion, sex or national origin.

Calendar

Classes are held every week during the year. The school observes the following holidays: Memorial Day, Labor Day, Fourth of July, Thanks giving Day, Christmas Day and New Years Day. Additional holidays may be declared by the School Director.

Attendance Policies
